

Grade 2
Session 4

Noah

Opening Prayer

Sign of the cross and the Our Father.

Read together Genesis 6:9-9:17, starting on page 32

On page 36, color in a rainbow over the words in Genesis 9 to remind yourself of God's promise.

Use the instruction pages found in the children's Bible pages 34-35

Discussion questions

1. What is your favorite part of this story?
2. Did you know how it was going to end?
3. What does the word Covenant mean? A really big promise that is meant to bring people together in a strong relationship.
4. The last part of the reading is called "God's Covenant with Noah". What was the covenant? That God would never again destroy all living things.

Something for our 2nd graders to note here is that even though God made a promise here, he did not make Noah promise anything in return. God knew that no matter what, humans were going to make mistakes and sometimes there would be a lot of mistakes and people would forget that God only wanted what was best for them. But God made the promise because He had a plan to bring us all back to Him.
