Do the included activity page "God Has Plans for Us". You will need yellow tissue paper and coloring supplies. If you attend the in-person sessions, there is yellow tissue paper in your take home packet from the last session.

Talk to your child about how Abraham trusted God and God had plans for Abraham. God promised Abraham things, but He didn't say when or how everything would happen. We did hear more about when God was going to give Abram the land for his people but that was it. Abraham had to have a lot of trust to believe God because even though God kept his promises, He did it in a way that no one expected. We need to have that trust too. We know that God loves us and cares for us, but sometimes we don't even see it happening because we don't know how God is going to do something. Can you trust God like Abraham did?

Can you think of a time this past week when you had to trust someone?
Have you asked someone to trust you to do something you promised this week? Did you follow through?
What would happen if you didn't follow up with the things you promise?

Closing prayer
Sign of the cross, Our Father, and finish the prayer with a special blessing on the child/children by the parents.
